Vol. IV

Staff: Fischer, Rice, Emerson, Dolan
4 May 1959

Asst.Ed: Morse
No. 10

HAR-RUMPH:

As is customary in our Society, a nominating committee, chaired by Jim Fozard, has met to carefully consider candidates for all Gryphon offices. The committee now presents what they consider the best possible combination for the year Gryphon III. Elections will be held at our monthly meeting, Tuesday, May 12, 10 P.M., 4th floor UC. The future of the Gryphon Society rests largely with the outcome of these elections, and I trust everyone will be present to carefully consider their vote. Of course, nominations will be accepted from the floor, and each nominee will be able to speak in his behalf. Pertinent remarks by other members will also be heard.

The officers will be installed at the "grand finale", our banquet on Friday, May 15.

David Wismer

THE NOMINATING COMMITTEE REPORTS -

The committee held its last formal meeting on April 30. At this meeting the members unanimously agreed to nominate the following persons for the offices of the Gryphon Society during the Fall semester, 1959:

President: Donald Derse
Vice-President: George Dolan
Secretary: Michael Rotberg
Treasurer: Denis Mulherin

Executive Board:

Senior Members (two of the following).

Robert Emerson
William Quay
Edward Thomson
Peter Wimmer

Junior Members (two of the following to be elected in September.)

Russel Borner
Thomas Brunt
Walter Ernst
James Rice

The committee members of course considered many more possible candidates for each office. We selected the above men because it was felt they would be best as individuals, and particularly, as a team.

The single slate (except for Executive Board) should be considered as reflecting the following factors. 1) The individual committee members agreed for the most part on the present list independently, and after consideration, unanimous agreement was reached. 2) The single slate is believed to be more fair to other potential nominees who may be nominated from the floor, since men not now on the slate, have more flexibility in choosing the offices for which they wish to run.

The members of the nominating committee will discuss the suggested candidates at the election meeting. In the meantime you may wish to talk with them earlier. They are, Bob Emerson, Jim Fozard (chairman), Dave Nichols, Jim Perneski, Dave Phelps, Jim Rice, Howard Troy, Pete Wimmer, and Ray Wolfgang.

Jim Fozard

DER DEUTSCHEN STUFF:

A last reminder to all those who missed Jim Dinkey's unique talk and slides on his trip to Germany last summer: On Tuesday night (May 5) at 7:30 you will have an opportunity to gain some real insight into what life in modern Germany is actually like. You will see some of the horrible effects that World War II had on Germany, some of the quaint and enviable customs which the Germans observe, many of the characteristics of their daily life, and a first hand account of the situation in East and West Berlin. In view of the present crucial importance of Germany in world affairs this talk would be a very worthwhile investment of one hour. We also expect several guests, including Dr. and Mrs. Rouse - Dr. our new faculty adviser.

R.E.

X - 12 DAYS

One last Gryphon blast, on Saturday, May 16, will conclude a very successful social semester for the society. Beall Fowler is planning a party following the Pops Concert. The concert is a traditional affair held each May shortly before a young man's fancy turns to studying for finals, graduation, or a fun-filled summer. And we think its as appropriate a time as any for a party! The Pops Concert, beginning at 8 P.M. will feature the Lehigh Concert Band and the 3 finalist singing groups of the New York Lehigh Club intramural singing contest. Right after the concert, at 10 P.M., Richards Lounge will be filled with the jubilant sounds of Gryphons and their ladies, making merry. Beer, soda, and pretzels will be on hand amidst the music of the nation's best bands (recorded, of course!). We're hoping to see all of the Gryphons out for the Pops Concert and the party, our last chance to get together with the gang before this school year draws to a close. See you there!

J.R.

ACCOLADE DEPT:

It was recently announced that Charlie Culver, in cahoots with Bob Coston, copped first prize for a technical paper at the annual competition for students of the American Society of Civil Engineers. The paper was titled "Tests of Stud Shear Connectors for Composite Beam Construction," - we guess Charlie understands it. We are happy to add our congratulations to his win.

THANKS:

Any success at the Friday post-H.P.-dance-party must be attributed to Messrs. LaPara, Dolan, Evans and Derse who did a fine job decorating, buying supplies and cleaning up. Many thanks fella's.

ANNOUNCEMENTS:

Pledge meeting: Tonight, May 4, 7:30, Richards Counselors' Lounge, attendance required.

Recall Dr. Mancuso's talk on Wednesday, May 6, 7:30 P.M. in the Richards Counselors' Lounge. Required of first year counselors. Recommended for all others.

Executive Board meeting, Tuesday, 5 May, 10 P.M., Dravo Counselors' Lounge.

Those counselors who are to speak with the freshman in their training sessions should check in with Fuzzy by the 11 of May to tell him how your presentation plans are coming along.
